Description

SIFARMA SpA is an Italian company with over 25 years of experience in the dermatological and aesthetic medicine domains. Through innovative and highly advanced scientific research, SIFARMA is established as a knowledgeable expert in the production of functional dermocosmetic ranges and professional skincare treatments. SIFARMA's well-known and prestigious brands include Canova and Dermatrophine Pro, together with O.P.I, Payot and Marbert, for which Sifarma has been the exclusive distributor in Italy for more than a decade and so far confirmed.
